There's a lot of things that we're doing to make sure that we're not just a company that's just a company, but that we're a company that's really making a difference in the world. And that's what we're going to be doing for the next 10 years.

Spice Merchant says to the Lord that the angels in heaven think that mankind often makes one more like God by doing all that mankind is capable of, but he is wrong because the angels believe that mankind cannot do good and that a creature's goodness does not make him more like God.

# ROSE & TRICIA

**ROSE & TRICIA** (1970) is a film about the lives of two women, Rose and Tricia, who are both involved in a relationship with a man named John. The film is a comedy-drama that explores the complexities of love, sex, and friendship. It is a classic example of the New Wave movement in cinema, with its focus on personal relationships and its use of a non-linear narrative structure. The film is set in a small town in the 1960s, and it follows the lives of Rose and Tricia as they navigate their way through life. The film is a masterpiece of modern cinema, and it is a must-watch for anyone who is interested in the history of film.
